

## MOISTURE BALANCER

SKIN HYDRATOR - For Oily & Acne Prone Skins

Size: 60ml plastic bottle w/flip cap / 30ml Trial/Travel Size

### DESCRIPTION:

This intensely hydrating, non-comedogenic lotion eliminates dry skin and flakiness completely, while soothing oily or acne-prone skin. It goes on clear and absorbs quickly, leaving no residue.

It has a super-light feel and is fragrance-free and dye-free. Use it liberally without fear of skin breakouts.

For patients using Benzoyl Peroxide or AHA/BHA treatments, skin can become dry and can also promote skin peeling. Overly dry skin perpetuates the acne cycle. It is important to properly rehydrate the skin.

**Directions:** Apply liberally to the face and neck to completely moisturize the skin. It is important to protect the skin from sun exposure using Scinderm's Z PLUS SPF 45 during the day.
