Active Ingredients:

9.0% Zinc Oxide (Z-Cote®)

7.5% Octyl Methoxycinnamate

2.75% Octyl Salicylate

Ingredients:

Purified Water, Sodium Hyaluronate, Zinc Oxide, Octyl Methoxycinnamate Cyclopentasiloxane, Octyl Salicylate, Octyldodecyl Neopentanoate, Acorbyl Palmitate, Oleth-3 Phosphate, Triethoxy Caprylylsilane, Hydroxethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Polyisobutene, Trimethylolpropane Coconut Ether

Directions for use:

1. DO NOT RUB IN.
2. Apply by patting onto the skin surface. Patting helps build a layer of physical protection, layer by layer creating a U V Shield between your skin and the sun.
3. Apply to all areas where skin needs protection against the harmful UVA & UVB rays.
4. Apply 20 minutes before exposure to sunlight.
5. Re-apply again before 5 hours is up just on dark marks.
6. Re-application is necessary during & after water activities or heavy perspiration.
